PAPR FOR HEALTHCARE

POWERED AIR-PURIFYING RESPIRATORS DESIGNED FOR HEALTHCARE

Do you feel fatigue after wearing an N95 all day? *Your body might not getting the oxygen it needs.*

Did you know that PAPER might be more **cost effective** than N95s?
PAPRs are reusable and the HEPA filter is protected and doesn't need to be replaced.

BREATHE EASY

Learn why healthcare workers in hospitals, clinics, dental offices, and private practices are choosing PAPRs over N95s.
